

RAZZOR

FROMAC
rubinetteria

A close-up photograph of water being poured from a sharp-edged, metallic spout. The water is captured in mid-pour, creating a dynamic, textured stream that tapers as it falls. The background is solid black, which makes the clear, reflective water stand out prominently. The lighting highlights the sharp edges of the spout and the intricate patterns of the falling water.

*Plasmare l'acqua
grazie a linee affilate
e forme massicce*

*Moulding water
through sharp edges
and strong materials*

Linee tagliate alla perfezione

Perfectly Shaped lines
